# Master your own face 1:1

---

This is exactly what you are looking for if you're either looking to better your makeup skills, find a new look or try some new products out. Our makeup lessons are tailored entirely to you.

## WHAT YOU CAN EXPECT FROM YOUR

### *1:1 makeup lesson*

Your 1:1 lesson will begin with a mini consultation making sure we know exactly what you would like to learn. We will also find the perfect shade for your skin, eyes and lips and use the correct makeup brushes to create the perfect look. Through out your lesson you will be able to use the contents of our professional makeup kit. We also suggest you bring your own makeup bag as well so we can show you how to make the most out of the products you already own, as well as suggesting added extras for you.

We will complete one half of each feature of your face and you will complete the other. We will use a face chart to note down products and makeup tools (brushes) used. This is something we give to you to take away so you can use it as a future reference.

## MYOF: EVERY DAY

# each level explained

## BEGINNER 1

Beginner level will cover the fundamental basics of makeup. Including, what questions to ask your client prior to applying any makeup, priming the skin, colour matching foundation, blending techniques etc. As well as the importance of hygiene, how to clean your products and brushes correctly.

## INTERMEDIATE 1

This level will show some more advanced techniques in depth, for example perfecting winged eyeliner, applying false lashes correctly, contour and highlight, brows, how to line the lips and apply lipstick symmetrically etc.

## INTERMEDIATE 2

This look will focus on the most requested look, the smokey eye. We will go through the process step by step of how to create the classic smokey eye, and we will then put in to practice the skills learnt in Basic and Advanced 1 to create a full glam look.

## ADVANCED 1

Advanced 1 we will start to look at more complex blending techniques and placement of colour. For this level you can choose a look from our look book that you would like to recreate and we will step by step teach you the process of application.

We will demonstrate the look on one half of the face and step by step you will create the other side.

## ADVANCED 2

This level will experiment with colours, more technical liner looks, using glitter and other more advanced makeup techniques.

You will choose a look from our look book in the advanced 2 section to recreate. You will create the whole look on your own with our guidance throughout.

## EXPERT 1

Expert 1 & 2 are where you can really show off what you have learnt in your training. You have complete creative freedom on which look you would like to create. We will be there to guide you and help you if you get stuck or have any questions, but ultimately you will be creating the look solo. Choose a look you feel confident to recreate and will be able to do so to the highest possible standard.

## EXPERT 2

The final level Expert 2 is where you can get a little more creative. This level we want you to push outside your comfort zone. Choose a look from our inso look book, or one of your own. These looks can be anything from glitter festival makeup to character makeup or fancy dress. Something a little different to get the creativity flowing.

# Advanced MUA Training

Our advanced training courses are designed for existing makeup artists already in the industry looking to advance and improve their existing skills. This course is ideal for students who have completed our 'Beginner MUA' training course.

## *The next level*

Even once you become a makeup artist, there is always more to learn. These courses are designed to advance and build on your existing skills. The 2 and 3 day courses will be guided by a different senior artist on each day in order to give you the opportunity to gain experience and tips from different artists.

The looks you create will be completed entirely by you, with our guidance to make sure you complete each look to the highest possible standard

You will have complete creative freedom in the looks you complete during your training.
